Our B-B-Q is slow smoked in a southern fried cooker, unique in its ability to draw out fats and seals in the juices. The heat and smoke cause the meat fiber to break down, which releases the fat while tenderizing the meat cut.

Our Fried Chicken is cooked in a pressure cooker that contains the juice and flavor in the meat and evenly cooked the entire chicken.

We offer sit down, take out, and catering services.

Wedding, Funerals, Gathering and Private Parties.
